DINNER REFLECTIONS. MR Hall

Attendance at the dinner exceeded 260.

The oldest ex-pupil attending the dinner was a pupil in 1890.

Attendance dates have been given in many cases.

Two Papuan children visiting the school for the week attended the dinner.

The Papuan girl, Kopina, loved seeing the dresses and furs of the women, and felt everything was magnificent.

The charge for the dinner was three dollars per person.

The dinner was non-profitmaking.

The enjoyment of the gathering was infectious and a great joy could be sensed.

It was interesting to hear 70+ years old call one another by their boyhood nicknames.

Old photographs and class photographs ranging over 50 years were pinned around the room and were keenly viewed throughout the evening.

Three from one family, Mrs Lottie Boyd, Mr Arthur Wells and Mr Albert Wells, attended the school from 1892 onwards. All were hale and hearty.
